

House Resolution No. 2543

Whereas, the members of the Missouri House of Representatives feel it is altogether fitting and proper to pause from time to time to recognize individuals and organizations that have contributed to the welfare of this great state and its citizens; and

Whereas, the members now pause to recognize Steven Stull, who was honored on April 19, 2007, with a Washington University Olin School of Business Distinguished Alumni Award; and

Whereas, Steven Stull is chief executive officer and president of Advantage Capital Partners, a private-equity firm with more than \$800 million in capital and is nationally recognized for its efforts in small-business capital formation, particularly for businesses located in distressed communities or geographically under-served areas where little or no venture capital infrastructure exists; and

Whereas, Steven Stull earned a bachelor of science degree in business administration in 1981 and a master of business administration degree in 1985, both from the Olin School of Business; and

Whereas, before founding Advantage Capital, Steven Stull headed General American Life Insurance Company's Securities Division, managing portfolios of both public and privately traded investments; and

Whereas, the Washington University Olin School of Business Distinguished Alumni Awards are bestowed annually to recognize those who have achieved distinction in their fields and for embodying the qualities of leadership, integrity and commitment that the Olin School of Business seeks to instill in its students:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join to extend our sincere congratulations to Steven Stull on the illustrious occasion of his being recognized by the Washington University Olin School of Business as a Distinguished Alumni; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Steven Stull.
